

May 2017: List of Off-grid PV Micro Market Studies available

Published in	Title	Content
May 2017	Africa – Chinese investment in off-grid solar markets	China-African main cooperation, investment from Chinese companies over past 3y in off-grid
February 2017	Africa - Mini-grid and Micro-grids actors analysis	Definition micro-grid vs mini-grid, value chain structure, actors mapping, zoom on 3 actors
January 2017	2016 – Off-grid PV tenders in review - 400 tenders	Statistics: number of tenders, capacity, units tendered - By region, country, application, authorities and response time
October 2016	2016 update - Solar and hybrid mini-grids in Africa	Installed capacity, new opportunities and trends
September 2016	Off-grid oil & gas industry market overview	Value chain, applications, quantification, actors mapping
June 2016	IHS Towers: strategy and activities in the African off-grid solar telecom market	Actor overview, Operational & financial performance, presence in off-grid market, place of RE
April 2016	Standalone solar street-lights market in Africa	Industry overview, actors and projects
February 2016	NPO - NGO on off-grid PV market in Africa	Main organizations, activities and projects
January 2016	Off-grid solar newsletter statistics 2015	News part: full statistics on news, by region, by applications
January 2016	Off-grid solar newsletter statistics 2015	Tenders part: full statistics on tenders, by region, by applications
December 2015	The use of hybrid diesel PV plants in African breweries	Industry overview, actors and projects
November 2015	Africa: status on programs and funding in off-grid PV market	Program, funds, VC and crowdfunding
November 2015	Solar and hybrid mini-grid in Africa	Installed capacity, new opportunities and trends
July 2015	Pays-a-you-go shaking off-grid market in Africa	Products & techno, markets, actors and business models
May 2015	Myanmar : telecom sector gets a boost for the next 5 years	Telecom industry status, infrastructure mobile network, quantification
March 2015	Myanmar : the next mini-grid market for rural electrification by solar energy	Target applications, quantification, main programs
February 2015	Off-grid solar charge controllers and inverter markets	Main actors and strategies
January 2015	Solar water pumping market in African Sub-Saharan countries	Quantification by country, major actors
January 2015	Solar water pumping market in Southern Asian countries	Quantification by country, major actors
